INSTRUCTION WHEN CARGO LOSS OR DAMAGE

Actions you need to take – cargo claims.

1. Prevent Further Loss.

Immediately take all reasonable measures to avoid or minimise any further loss or damage to the goods. Photographs of the damage are very helpful, including the goods, accident site, packaging, carriers vehicle, and the internal and external container walls. Notice a written or email to us or survey agents – printed in front of the Cargo Insurance Certificate.

2. Hold Carrier liable and provide prompt notice to carrier

Within three (3) days lodge a written claim against the carrier for any loss or damage. If you are unable to fully quantify the extent of damage, you should still write to the carrier within three days and advise the carrier that further details will be forwarded once the claim is quantified.

3. Documents need to provide

- a) Bill of Lading / Air Way bill
- b) Commercial Invoice
- c) Packing list
- d) Copy of your claim against the carrier;
- e) Copy of carrier's reply (if and when received);
- f) Copy of any non-delivery, or short receipt, credit notes (if applicable);
- g) Documentation relating to outturn / receipt of goods;
- h) Relevant documents
- i) Insurance Certificate
- j) Letter of claim
